For Who I Am"

Wowwww...ficcin! Ok, guess who this is! (It's easy, but hey...) And now, from a..well, I was told I was skilled once..

~For Who I Am~ These words like violence That draw on silence Corrupt the nature Of all things My mind is in twists My hands are in fists Why can't they see? Who I am What I am My fury's violent But still I'm silent For I've lost all That I've ever lived for Hoped for Strived for I can't think right Should I run, or fight? Must I always be On the wrong side of things Am I so wrong to think this way? Fell this way Know this way Live this way? Somehow I'd rather be alone Some how I'd rather be on my own But I know I'm wrong To put away those things I've thought for Hoped for Strived for Should I think this way Feel this way Know this way Live this way? Endless questions cloud my thoughts Is all lost, for which I fought? Can I be who I used to be? Will I ever be able to just be me? Who I am What I am I do not know For I am lost For I can't find Who I am inside So I figure I'll fight My own might My own light To find What I do not know Who I am What I am I feel so weak But I continue on Footsore and gone Away from everyone Everything But soon I know I will see right Feel right Live right For I am strong And no alone If I'll just go back To find who I am And what I am Then maybe I'll just be me\*~
